Bone Marrow Failure and Myeloid Neoplasia

2017 Update on Diagnosis and Treatment

Friday, October 13, 2017 | 11:30am-6:00pm

Omni Nashville Hotel
250 5th Avenue South, Nashville, TN 37203

After participating in this CME activity, participants should be able to describe and discuss:

1. Evidence-based methods for treating patients with AML, MDS and MDS/MPN;
2. Strategies for recognizing differences among aplastic anemia, hypoplastic MDS and other bone marrow failures;
3. Emerging treatment options for these patients.

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Vanderbilt University Medical Center and the Aplastic Anemia and MDS International Foundation. Vanderbilt University Medical Center is accredited by the ACCME to provide continuing medical education for physicians.

Credits: Vanderbilt University Medical Center designates this live activity for a maximum of 5.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Fee: There is no fee associated with this event.

Parking: Valet parking for this program is available at a discounted rate of $16.

Target Audience: Health care professionals working with bone marrow failure disease patients, hematologists, advanced practice providers, oncologists, primary care physicians, pediatricians, pathologists, residents/fellows, physician assistants, nurse practitioners, nurses, & pharmacists.
