

**PROCLAMATION of the BOARD OF DIRECTORS OF
THE APLASTIC ANEMIA & MDS INTERNATIONAL FOUNDATION (AAMDSIF)**

Whereas, Dr. Daopei Lu is a world-renowned hematologist/oncologist who has successfully treated hundreds of patients with bone marrow failure diseases and did seminal research in treating aplastic and bone marrow failure diseases since performing the first successful bone marrow transplant in 1964 in China for a patient with aplastic anemia; and

Whereas, AAMDSIF is celebrating its 35th anniversary and is the world's leading nonprofit health organization dedicated to patients afflicted with bone marrow failure diseases by supporting, connecting and educating patients, caregivers and health professionals on bone marrow failure diseases worldwide; and

Whereas, Dr. Lu has been a visionary leader throughout his career both at Peking University and now at the Lu Daopei Medical Group; and

Whereas, the LuDaopei Medical Group has agreed to advance AAMDSIF's international outreach by establishing AAMDSIF's first overseas office location within the Beijing LuDaopei Hospital; and

Whereas, AAMDSIF has learned that LuDaopei Hospital has agreed to form a historic private-public partnership with The Peking Union Medical College Hospital (PUMCH), to establish a research institute to study jointly the diseases of bone marrow;

NOW, THEREFORE, the Board of Directors of AAMDSIF symbolically proclaims and states on the occasion of the announcement of the LuDaopei Hospital-PUMCH partnership that: AAMDSIF wishes to congratulate Dr. Daopei Lu, Dr. Peihua Lu, Dr. David Jin and Professor Bing Han of PUMCH for their noble efforts over decades in bringing world-class care to bone marrow failure disease patients in China;

AAMDSIF wishes much success to the Aplastic Anemia- MDS Center that LuDaopei Hospital and PUMCH will operate out of Beijing LuDaopei Hospital;

AAMDSIF is pleased to cooperate with Dr. Daopei Lu, Dr. Peihua Lu and “The Aplastic Anemia and MDS Center at Beijing Lu Daopei Hospital” to find ways to serve patients in China, Asia and the rest of the world and looks forward to a strong and mutually beneficial relationship with our Chinese friends for many years into the future.
